

POSITION ANNOUNCEMENT

The position serves the West Virginia Network (WVNET), located at 837 Chestnut Ridge Road, Morgantown, West Virginia, 26505.

Date August 14, 2017
Position Title Web Developer
Classification Full time permanent, non-classified position

Duties and responsibilities

WVNET seeks an individual with experience and skill designing and developing web sites.

This individual will be responsible for designing, creating and maintaining web sites for WVNET and our web hosting customers, creating and maintaining WVNET's social media and signage, providing training and consulting to webmasters, and creating video tutorials. As part of the WVNET Media Services team, this person will work on creative projects with other skilled developers.

Knowledge, skills, and abilities (KSAs)

- HTML, HTML5, CSS, Javascript/Jquery
- PHP
- MYSQL
- WORDPRESS CMS
- Graphic and artistic capabilities.
- Writing skills

Additional consideration will be given for knowledge of other web tools, CMS's, frameworks, languages, and understanding of best web practices.

Salary: Starting salary will be competitive. Additionally, WVNET offers an excellent benefits package which includes comprehensive health, retirement, and insurance plans as well as generous amounts of vacation, sick, and holiday leave.

Application process: Submit a cover letter and resume, **via e-mail**, to Mr. Bob Roberts at recruiting@mail.wvnet.edu with Web Developer in the subject line.
