The above Argos pricing would be in effect for any WV state institution that was not part of the 2012 Argos "WVNET hosted" purchase. All terms and conditions of the "hosted" agreement remain in place, including the terms regarding institutions that leave the WVNET. Any such institution would need to re-purchase Argos at the then current rates.

In addition, the 2012 Argos "hosted" agreement sets forth terms regarding software support and maintenance which states that any increases in annual support and maintenance are capped at 4%/yr.
