

Blackboard

West Virginia Network is excited to announce

Blackboard LMS for K12

- **Content Management** - reduces paper costs, and easily creates reusable content
- **Reduces lost instructional time** - students can access course materials and complete assignments on snow days.
- **24/7/365 Help Desk Support** - For teachers, students, and parents
- **Integration with WVEIS** - Custom integration
- **Attendance Tracking Tool** (Coming Soon!) - Allows teachers to track attendance inside Blackboard
- **ADA Compliance** - Blackboard Ally offers a robust tool that allows you to meet ADA standards for online courses
- **Highly Customizable** - content, lessons, and delivery methods
- **Tools to keep parents informed** - Classroom/Grade book notifications for students.
- **True digital learning environment** - grows with you as your digital learning needs evolve
- **Supports blended/flipped classroom structures**
- **Onsite Managed Hosting (Morgantown, WV)**
- **Technical Support and On-Site Training for Faculty and Staff**
- **Bb Mobile App** - Accessible Anywhere! Engage active learners where they are.
- **Bb Instructor App** - Access your classroom from your mobile device.
- **Bb Grader App** - Grade your lessons from anywhere!
