LISTSERV®

WVNET is proud to provide LISTSERV® service, the industry standard email list management software. This takes the hassle out of your email communication by managing all of your subscriptions, sign-offs, and bounces with email best practices. Management can be done from a web browser or by issuing commands directly to the list through email, for both list owners and subscribers. WVNET also provides documentation and additional support through our OZ ticketing system, our Network Operation Center staff, and LISTSERV® administration staff for those difficult to resolve issues.

LISTSERV® (continued)

The pricing structure below is for each separate listserv®:

Initial Setup Fee: \$25 (One Time)

Subscribers:	Cost (per year):
<100	Free
100-500	\$25
501-1000	\$50
1001-2500	\$75
2501-5000	\$100
>5000	\$150

If you would like to create a LISTSERV® list or if you have any questions, please contact our Network Operation Center (NOC) at 304-293-5192 x 248 or wvn-operations-1@listserv.wvnet.edu.

WI-FI ACCESS POINTS AND MANAGED SERVICES

There are 2 options for WI-FI access at your location:

- 1) WVNET purchases the access points and manages the WI-FI connectivity remotely
- 2) Your institution purchases the access points but WVNET manages the WI-FI connectivity remotely

The price will vary depending on which access point is purchased and whether or not you are on our network. See pricing information on page 14 of this document. Additional services, such as a site survey, and a one-time set up fee are also listed on pages 15 and 16.

WEB HOSTING (cont.)

Website Add-Ons

Americans with Disabilities Act (Section 508) Compliance Audit:

\$500.00 - \$1,000.00 depending on the complexity of the site. This includes analysis of your site, a detailed description of problems, and assistance with bringing the site into compliance.

Extended Web Site Maintenance Contract:

WVNET can provide support for your web site outside of our regular hosting packages. For example, we can help to maintain a site that is not hosted on our servers. The cost of this service is negotiated based on our assessment of the time and effort required. Call for details!

Need a new web site design?

Clone an existing site design: \$300 basic clone. Additional fees may apply based on the size of the current site.

Create a new unique design: \$800 base price. Additional fees may apply based on the scope, and length of the work required. Call for details!

Domain Name Procurement and Management

WVNET can acquire and manage domain names. We obtain domain names and handle the setup and management in a DNS server, connecting your domain name with web, email and other services. Once it is in place, we can help you to keep your domain name renewed each year and make changes as needed.

Prices for domain names vary, but on average:

.gov domains - \$125 now, \$400 starting in January 2017

.edu domains - \$40

.com, .org, .net, etc. domains - typically \$20 or less

.gov and .edu domains require documentation to verify your eligibility.

For non .gov / .edu domain names we acquire, there is a \$50 one-time surcharge.

For .gov / .edu domain names, we charge our standard consulting rate for setup.

If we manage the domain for you, there is a \$25 management fee plus domain name renewal cost for each subsequent year.

DIGITAL LEARNING RESOURCE PACKAGES

The following 2 services can be integrated with a WVNET-hosted LMS:

MEDIAL (formerly known as HELIX Media Library)

MEDIAL is a streaming server that can easily be integrated with a WVNET-hosted LMS, web site or other application. A web-based interface provides the tools to upload your video and enhance it with other media and descriptive text. The streaming video can then be embedded in a web page or one of WVNET's Learning Management Systems.

BIG BLUE BUTTON

Big Blue Button is an open source web conferencing system that allows customers to deliver a high-quality learning experience to remote students. This provides the ability to record lectures, annotate a presentation, share your desktop for students to see, use VOIP for interactive discussions, integrate a web cam display and include uploaded documents.

The Digital Learning Resource Package includes 1TB of reliable network storage. Your videos are stored in WVNET's secure data center. If your storage needs exceed 1TB, you can grow your storage allocation without any impact on your content or availability.

Pricing:

Digital Learning Resource Package	\$6,300/year
This package includes MEDIAL, Big Blue Button and 1TB of storage.	
MEDIAL and 1TB of storage only	\$5,300/year
Big Blue Button and 1TB of storage only	\$5,300/year

Big Blue Button may also be used as a stand-alone service independent of a WVNET-Hosted LMS. See page 8 for more information.
