

Cory Morrison

February 10, 2022

Distance learning GUI Specialist and Instructional Designer

Cory has a degree in Web Design & Database Management and has been working with WVNET for over 10 years. Before joining WVNET he worked as Digital solutions coordinator, technical support and as a manager for Cengage Learning for 5 years.

When asked to describe Cory in single phrases, his colleagues and customers described him as “responsive, helpful, creative and fun loving”

Cory is a WV native, born in Fairmont, WV and grew up in Bridgeport. Raised to be a Mountaineer – he loves camping, hiking, fishing, kayaking and loves music (awesome drum player). He loves his 4 dogs and cats. Cory has been integral part of various WVNET’S Distance Learning Initiatives and WVNET’s successful transition from Blackboard to Brightspace.
