

Tech Tip: How to Prevent “Zoom-Bombing”

April 3, 2020

Zoom-bombing is the term for when individuals “gate-crash” Zoom meetings. These uninvited guests share their screens to bombard real attendees with disturbing pornographic and/or violent imagery. Most of these are perpetrated via publicly available Zoom links; however, not all depending on your settings. Here are ways to protect you and your guests from falling victim.

Read more about what you can do to protect yourself here:
