Working closely with our Legislature to provide the best for West Virginia

West Virginia Network is proud to serve our state in a variety of capacities. By offering a number of essential services and unrivaled customer support, WVNET collaborates with state institutions to meet all of their needs, going above and beyond through our efforts to bring the very best network technologies to every client we serve.

By working closely with our state government on a variety of technological endeavors, WVNET strives to build lasting relationships that will benefit the people of West Virginia. We work everyday to confront challenges and find trusted solutions that will help prepare our state's institutions to face today's ever-changing technological landscape.

In accordance with Senate Bill 653, effective July 1, 2000, WVNET reports to the [West Virginia Higher Education Policy Commission \(WVHEPC\)](#).
