CALL FOR PANELISTS!

January 12, 2023

The Call For Presentations deadline is fast approaching! We are looking for individuals to participate in **panel discussions** on the following topics:

- ChatGPT and AI
- The future of technology in Higher Education
- Preparing K-12 and Higher Ed students for careers in technology
- …or suggest a topic!

Would you be interested in participating in a panel discussion? [If so, drop us a line!]

Panel discussions aren't the only way to participate— [we are still recruiting for our concurrent session tracks]. We are looking forward to seeing you in Morgantown in July!
