## E-mail Password Help

## Password Change Procedure

Use this form to change the password for your account. You must specify a value for all items listed below.

### Instructions

1. Enter your userid.
2. Enter your password.

3. Enter your new password.

*Passwords should be entered in lowercase. Only alphanumeric characters are permitted (e.g. a-z, 0-9). Spaces are not allowed.*

4. Verify your new password by entering it again.

1. Userid:	<input type="text"/>
2. Old Password:	<input type="text"/>
3. New Password:	<input type="text"/>
4. Verify Password:	<input type="text"/>
<input type="button" value="Change"/>	<input type="button" value="Clear"/>

## E-mail Forwarding

# Mail Forwarding Procedure

Use this form to set a mail forwarding address for your account. You must specify a value for all items listed below. The userid must be valid and match the userid portion of your e-mail address. For example, if your e-mail address is myid@mail.wvnet.edu then your userid is "myid". The forward-to e-mail address must be fully qualified (e.g. newid@somplace.com). The mail forwarding setting takes place immediately. To disable forwarding, leave the "Forward-To address" blank.

1. Userid:	<input type="text"/>
2. Password:	<input type="text"/>
3. Forward-To Address:	<input type="text"/>
<input type="button" value="Change"/>	<input type="button" value="Clear"/>
