

Web Design & Development

January 29, 2020

Our dedicated developers and UI/UX experts can work with you on your website design, development, or website support needs. We can assist your organization or institution in creating a new site or simply helping you manage your current website.

Our Services

Custom Website Design & Development

With over 20 years of experience in the web design and development field, WVNET's developers incorporate industry-standard best practices that are W3C compliant and meet WCAG and ADA Section 508 Accessibility requirements.

Web Support Services - Consulting services and support for your website's maintenance, troubleshooting, planning, etc.

Refer to our current [Schedule of Rates](#) for up-to-date pricing or [contact us](#).

- **Hourly Web Support Services**

Billed monthly if support is provided during that month; there is no monthly charge if no support was provided.

- **Annual Web Support Service Agreement**

Packages for support start at 25 hours of website support per year; billed quarterly.

ADA Compliance Services

- [ADA Section 508 compliance audit](#)

- **Accessibility compliance remediation** - Consulting services to help you get your website compliant with ADA Section 508 requirements. Contact us for an estimate.

HTML or other CMS to WordPress Conversion

- WVNET can migrate your current website to WordPress for you.
- Prices **begin** at \$500 per website (5-10 pages) when using one of our approved WordPress themes and minimal customization.
- [For a larger site migration and/or extensive site customization please request a custom quote.](#)
