Does your organization have many problems and tasks that need to be organized and completed?

Do you have numerous people working on different things and you need a way to coordinate what they are doing?

Do all of your problems get resolved or do some fall through the cracks? Do you remember who did what, when, how?

These are the kinds of things that **OZ** can help you with. **OZ** creates and manages documents that describe every piece of work at your organization from first report to completion.
