

Web Developer – Job Announcement Morgantown, WV

The West Virginia Network for Educational Telecomputing (WVNET) is a dynamic service organization providing telecommunications and computing services within West Virginia. Currently focused on state colleges and universities and administered by these entities, WVNET is transitioning to expand its impact by offering services to state government, K-12, public libraries and county government.

Posting Date: June 19, 2019

Application Deadline: Friday, July 26, 2019

Position Title: **Web Developer** - located at 837 Chestnut Ridge Road, Morgantown, WV, 26505.

Classification: Non-Classified, FLSA Exempt

Duties and Responsibilities

WVNET is seeking a Web Developer experienced with all aspects of website design, development and maintenance. Experience with WordPress or similar CMS required. Bachelor's degree in computer science or related field required. ADA and Universal Design knowledge preferred. This position will supervise web assistant and web development interns.

Knowledge, Skills, and Abilities (KSAs)

- Web site design and construction, including mockups and custom themes
- Web site maintenance (CMS updates, OZ tickets, etc.)
- Create/edit graphics, images, logos, photographs, and videos
- Direct client interaction (not training-related)
- Assign tasks to Web Team and monitor progress
- Research and Development, including personal skills training
- Project management, including timeline/budget estimates
- Client Web training
- Maintain Web accessibility, perform ADA Compliance audits
- Design, develop and serve as instructor for online Web courses
- Front-end development (UX/UI) for Web applications
- Ability to work accurately
- Ability to maintain proper job attendance and punctuality standards

Education:

- Bachelor’s Degree, preferably in computer science, computer engineering, or closely related field

Experience Requirements (2-3 years):

- Website creation and maintenance
- WordPress
- Graphic and Digital Design
- Programming
- Universal Design and ADA knowledge

Salary. Starting salary is competitive and commensurate with experience. Additionally, WVNET offers an excellent benefits package which includes comprehensive health, retirement, and insurance plans as well as generous amounts of vacation, sick, and holiday leave.

APPLICATION PROCESS: Submit a cover letter and resume **via e-mail** to WVNET Human Resources at careers@mail.wvnet.edu with **Web Developer** in the subject line.

Equal Opportunity/Affirmative Action Employer/Veterans/Disabled
