WVNET powers organizations and institutions in **every** corner of West Virginia.

Every West Virginian — in every county, every community, and every home — benefits from the work of the West Virginia Network for Educational Telecomputing (WVNET).

WVNET connects K-12 schools, higher educational institutions, libraries, state and county government, and various not-for-profits to the Internet and the rest of the

world through our state-of-the-art network and telecommunications expertise. Our team of dedicated IT professionals provide guidance and training to educators and staff in higher education and K-12 schools. Our research and development of software, tools, and systems address problems and tackle challenges that are unique to West Virginia's public institutions and not-for-profits.

STATEWIDE IMPACT

WVNET's statewide services are used throughout West Virginia in higher education, K-12 schools, state and county government.

High-speed internet connectivity to every school, library, county courthouse, and state organization.

Robust issue tracking and project collaboration system (OZ)

Web and mobile design and development

Secure hosting and server administration

Domain name registration and management

Email hosting and administration

Virus and spam filtering for email

Email list management (LISTSERV®)

Conference planning and management services

Software and application design and development

Enterprise IT purchasing services and expertise

Information security and firewall protection

Disaster recovery services

HIGHER EDUCATION IMPACT

Learning management systems that allow courses to be delivered online to any student regardless of location (Blackboard)

Student information systems that track grades, transcripts, financial aid, finance, and more (Banner)

Student progress and advising tools (DegreeWorks)

K-12 IMPACT

Professional learning and development system that allows teachers, staff, and administrators to track, audit, and approve training hours (PLAD)

Secure biometric student tracking systems (gatekeeper)

STATE AND COUNTY AGENCIES AND NON-PROFITS

Tracking tools for public service training classes, students, instructors, enrollment and certifications (PSTachio)

Healthcare record-keeping tools that allow health professionals keep track of records dietary forms and other protocols to ensure better and efficient patient care (FormTrak)

STATEWIDE SERVICES

While WVNET offers services in each district, we also provide services to statewide organizations that touch every district in West Virginia. Our statewide customers include:

West Virginia Council for Community and Technical College Education

West Virginia Division of Corrections

West Virginia Division of Juvenile Services

West Virginia Division of Natural Resources

West Virginia Department of Health and Human Resources

West Virginia Library Commission

West Virginia Office of Miners' Health Safety and Training

West Virginia Office of Technology

West Virginia Public Broadcasting

West Virginia Public Service Commission

West Virginia Conservation Agency

West Virginia Attorney General's Office

West Virginia Division of Homeland Security & Emergency Management

West Virginia Educational Broadcasting Authority

West Virginia Geological & Economic Survey

West Virginia Higher Education Policy Commission

West Virginia Joint Committee on Government & Finance

West Virginia Secretary of State

West Virginia University Foundation, Inc.

West Virginia United Health System, Inc.

West Virginia Division of Financial Institutions

Conferences

WVNET also works to bring customers and citizens together by planning, hosting and participating in a variety of conferences. We partner with K-12, higher education, and state government to offer the **WV Statewide Technology Conference**. This three-day conference is held each summer in various parts of the state.

We participate in the **Cybersecurity Partnership Workshop**, offered twice a year. We also bring together Distance Learning Administrators from around the state to discuss initiatives in the area of online learning at the **West Virginia Virtual Learning Network Conference**.
